Do you believe in life after love? Cher certainly does! This Cher show tells the story of one of the most iconic singers in the twentieth century. This musical biopic tells not so much a rags to riches story, but rather a rollercoaster rides of poor to rich and back to poor again, coinciding with the highs and the lows in her marriages and relationships. It's a dazzling, glittery and flamboyant affair, flanked by wigs, increasingly daring costumes and the sounds of her biggest hits, including 'Gypsies, Tramps and Thieves', 'If I Could Turn Back Time', 'Strong Enough', 'I Got You Babe' and of course 'Believe'
